Indoor Glass Cleaning

By applying the same high standards of quality and innovation to indoor glass cleaning tools as outdoor window tools, Unger has become recognized glass experts, inside and out!

No matter the job, Unger has a line of indoor glass cleaning tools designed to maximize efficiency without sacrificing performance.

Stingray Cleaning Kits

STINGRAY
The Ultimate Indoor Cleaning Tool

Clean Windows

25% Faster and use

39% Less Chemicals

than traditional spray and cloth cleaning[1]

Cleaning professionals face two key challenges: efficiency and safety. Current tools lead to time-consuming issues, like re-arranging furniture and reaching high or unusually positioned windows. The battery powered Unger Stingray increases productivity and safety by eliminating time spent moving furniture or climbing ladders.

Product Features

- **Superior Cleaning Power**
  Lint free, easy glide microfiber collects dust, fingerprints, grease and other light dirt
- **Minimized Airborne Chemicals**
  Pad design incorporates protective cut-out for precise liquid application reducing the chance of inhaling chemicals
- **Cleans and Protects**
  Scotchgard™ Protection makes glass easier to clean over time
- **Fill and Go**
  Refilling is simple and quick, thus increasing productivity
- **Push Button Simplicity**
  Effortlessly apply glass cleaner at the push of a button at any height
- **Strong and Flexible**
  Robust, articulating joint makes cleaning hard to reach areas easier
