- Convenient multi-surface dusting tool kit
- Kit Contents:
  - PP00 StarDuster® Pipe Brush
  - WALB0 StarDuster® Wall Brush
  - CEDUG StarDuster® Pro Ceiling Fan Duster
  - HPNL0C HiFlo nLite® Locking Cone Adapter
  - PS09G StarDuster® ProFlex
  - PS00W StarDuster® ProFlex Sleeves (50)

Bulb Changing Tools

Flood Sucker Bulb Changer
- Easily change floodlights and other flat lightbulbs safely from the ground
- Features suction cups that attach to bulb
- Fully insulated
- Snaps onto telescopic poles for changing bulbs in high-access areas

Sticky Fingers Bulb Changer
- Easily change lightbulbs safely from the ground
- Rubber-coated spring steel fingers for quality turning power
- Adjusts to fit various-shaped CFL bulbs
- Snaps onto telescopic poles for changing bulbs in high-access areas

The Bebbe
- Safely remove broken lightbulb base from socket
- Complete with plastic tray for catching broken bulb pieces
- Fully insulated
- Snaps onto telescopic poles for changing bulbs in high-access areas

Tool Adapters

ErgoTec® Locking Cone
- Secures lock select Unger tools onto pole
- Fast tool change with quick release button
- Other tools attach by pressing on, snap on, or screw on

HiFlo nLite Locking Cone Adapter
- Plastic adapter for attaching ErgoTec® Locking Cone for attaching classic tools to nLite poles
- Inserts into nLite master pole and secures with yellow clamp
- Quick and easy tool change via release button

Threaded Wood Cone Adapter
- Wood cone adapter for attaching tools
- Features an internal ACME thread
- Pressure fitted

Cranked Joint Angle Adapter
- Adjust tools to clean at any angle up to 300°
- Squeegees, washers, etc. quickly attach to adapter
- Available in strong zinc or plastic

FIXI-Clamp
- Adjustable plastic clamp firmly holds tools like brushes, sponges, and cloths
- Open cellulose foam sponge is perfect for general cleaning and can be used with FIXI-Clamp

Soot Master Sponge
- Perfect for cleanup after fire or smoke damage
- Dry sponge absorbs dust and soot particles
- Can be cut, if smaller size is required
- Reusable rubber material
**Telescopic Poles**

High-access cleaning simplified. Wherever there is a need for extended reach, choose an Unger telescopic pole. All of Unger’s poles have ergonomic handles for worker comfort. All fit a full range of cleaning tools – washers, squeegees, dusters, and brushes.

No matter what the job, using an Unger pole allows performance and safety to be top priorities.

**Henry’s Handi Handle**
- Ergonomic, one section handle with ErgoTec® Locking Cone

**UniTeC™**
- Telescopic pole in two sections
- Features an interior lock that secures with a half turn in either direction

**OptiLoc™ 2-Section Poles**
- Work safely from the ground with study 2-section telescopic extension poles
- Constructed of anodized, extruded drawn aluminum with 3-1/2” nylon locking collars and ErgoTec® Locking Cone
- Handle grip is ergonomically designed for comfort
- Use with Unger High Access and Window Cleaning tools

**OptiLoc™ 3-Section Poles**
- Work safely from the ground with study 3-section telescopic extension poles

**TelePlus Pole System**

TelePlus is a flexible, modular system. The poles are available in 2- or 3-section starter units, with 6-foot extensions. The TelePlus system enables you to easily reach heights from 12 to 30 feet and allows you to only carry the sections you need.

The poles, made of drawn anodized aluminum, are light and can be handled easily and safely even when assembled to provide a maximum reach.

**Customize Your System:**

- **Plus 3** extends the basic 2-section pole
- **Plus 4** extends the basic 3-section or Plus 3
- **Plus 5** extends the basic 4-section or Plus 4

**Tool Connections**
- **Lock On**
  - Any tool with a hole in the handle and “LOCK” inscribed on it locks onto the ErgoTec® Locking Cone ensuring a secure fit for the tools.
- **Press On**
  - Special grooves on the cone ensure a secure fit for the tools.
- **Screw On**
  - These tools screw onto the ACME thread of an Unger cone.
- **Snap On**
  - These tools snap directly onto Unger telescopic poles.
