Quality Tools for Smart Cleaning™

Carbon Trad Pole

Lightweight and durable telescopic pole for high-access cleaning. Crafted from carbon fiber, this telescopic pole offers exceptional strength and rigidity for easy pole work.

LIGHTWEIGHT

- Carbon fiber reduces fatigue and minimizes shoulder strain
- Excellent rigidity carbon pole material
- Temperature-neutral material - no more cold metal poles

NON-SLIP GRIP

- Comfortable grip also safeguards your pole against concrete damage when placed on the ground

CLAMPS

- Securely lock the pole at desired height with easy lock clamps - no more twisting for trouble free work

TELESCOPIC HEIGHT RANGE

- Available in 8', 12', and 20' length

LOCKING CONE

- Attach a full range of cleaning tools - washers, squeegees, dusters, and brushes

COMPACT DESIGN

- When fully collapsed, pole is easy to store and transport
